

# EULO STATE SCHOOL NEWSLETTER

## From the Principal

Welcome to Term One

What a great start to the year we have had at Eulo State School. This year we have four eager students waiting to tackle the curriculum and join in with the many extra curricular activities that we have planned. We welcome two prep students who will join in with a student in Year 1 and a student in Year 5.

### Acting Principal Profile - Pauline Jahnke

It is with great pleasure that I take up the position of Acting Principal at Eulo State School (until further notice). The community has been extremely welcoming and I am enjoying getting a taste of the outback. Eulo State School is an amazing little school which is extensively resourced and has a friendly and experienced staff team.

I have travelled over from the Sunshine Coast to Charleville and was there for three days before I was offered an opportunity in Eulo. My teaching experience covers a broad range of areas which include 10 years of classroom teaching experience in both primary and high schools and in special/inclusive education.

Some of my interests include travel, needlework, yoga, photography and swimming. My most passionate interest is the study of human and physical geography.

I look forward to working with the staff to bring an informative, fun and memorable learning experience to the students of Eulo State School.

## *Parent Information*

### BEHAVIOUR

Our school motto is “Learning Together”. We foster and develop children’s pride in their school, classroom, community and self through our daily operations and policies. Our school community has the following school rules to teach and promote our high standards of responsible behaviour:

## BE SAFE, BE RESPONSIBLE, BE RESPECTFUL

Within these standards are groups of sub-standards and each week one of these becomes the ‘focus of the week.’ On Monday mornings this focus is highlighted and the expectations for it are explicitly taught with input from all the students. These are displayed in our classroom on our Behaviour Management wall.

## P & C News

The next meeting of the Eulo State School P & C Association will be in March and the date is yet to be advised.

It will be the Annual General Meeting.
