BUSY...BUSY.... BUSY

Wow! What a busy time we have had at school over the last (and next) couple of weeks.

The most exciting news was that we managed to hatch 8 chickens. Only 5 of these survived, and we are now in the process of naming them.

Cunnamulla P-12 State School very kindly invited Eulo students to join in their school cross country last Friday, which meant that all our Prep to Year 6 students all got to race against their peers.

The Year 3 and 5 students have done themselves proud by participating in NAPLAN this week, in a very positive and responsible manner. The test was conducted over 3 days.

SCHOOL CROSS

Congratulations to every single Eulo student. Everyone participated in the Cunnamulla Cross Country. Jamie and Mistique even participated twice, and still ran great times.

District Cross Country will be held at Thargomindah on Friday 19th May. Our Year 5 and 6 students will be partici-

pating in this event. Mrs Campbell joined our ranks again, when I was attending a Finance training last Wednesday. The Eulo P&C catered for this event, and I received many compliments towards our wonderful P&C. Thank you, Ladies. You did a fantastic job!

The whole school went on an excursion to Kate Beresford's, to see what happy chickens look like.

The team from the State P&C joined us to discuss what a P&C does and what is on offer for us.

We participated in a soccer session with teachers who visited our school from Ipswich Grammar.

And we have been practicing

for our Music in the Mulga performance, with a big surprise in store for Adam Kilpatrick, one of the generous artists who will be facilitating one of the music workshops with our students.

Following our Music In the Mulga adventure, we will be straight into organizing the Cunnamulla Show display.

And in between all of this, we have been hitting the books hard, and learning a lot.

Enjoy the next fortnight.

Michelle

Our Chickens Hatched!

After a somewhat iffy start for the newest members of our class, I am pleased to announce the arrival of Pip, Cupcake, Bob, Party Poopa and Bella.

on our favourites. Allocating names to the specific chicks was another challenge, however, we were able to rise to the occasion, and now some of us can identify each chick by name.

there. Students will be taking an active role in fixing the chicken yard and house, and are very enthusiastic in caring for our babies. A big thank you to Mrs Maric, Carmel Smith and Mel White for keeping an eye of the chicks over the weekends.

It was a very exciting time for our students to see the process from egg to hatching of these little chicks. As yet, we don't know if they are boys or girls, but we brainstormed a number of names, and then voted

Currently, our newbees are living in the classroom, but we will need to renovate the chook house before too long, so they can move in

Japanese Children's Day

Last Friday was Children's Day in Japan, as we found out in our Japanese lesson.

A public holiday is given to celebrate this day....and while we couldn't have a public holiday, we did make origami Samurai Helmets. We emailed this picture to Davies

Sensei, who thought it was wonderful.

HAPPY BIRTHDAY EMILY

Congratulations Emily. What a special birthday for your final year in Primary School. Have a wonderful time on the weekend.

Playgroup change in times

We have change to time of playgroup to **Thursday at 8:30pm—10:30am.**

Currently, Mel is running activities around "what hatches from eggs".

Some of the crafts that the Playgroup complete will be used in the Eulo Show display at the Cunnamulla show.

KINDY

This term, Kindy will be running from 8:30am—2:30 pm Tuesday—Thursday.

I have been able to organise this by using the hours made up of public holidays, missed days later in the year.

I hope this is of help to all those families that travel, and work.

Please be aware of closing any gates you open when you drop off children. Because we have the Kindy program now, it is important that we keep all school gates closed.

MUSIC IN THE MULGA

This term, students will be participating in workshops conducted by artists performing at Music In the Mulga.

On Thursday 18th May, we will be going on an excursion to Wandilla, where Adam Kilpatrick will run one workshop, and on Friday 19th May, Jared Porter will attend school to conduct a second workshop. Students will be performing at the festival, and this will be a part of their curriculum assessment. They have already begun practicing a special performance for especially for Adam, so make sure you come along and support them when they perform. I will send out more information next week.

The Eulo P&C will be running a raffle and cooking breakfast at Music in the Mulga, to help fund raise for our school trip later in the year. **Please make sure you let Mel know if you can help cooking breakfast on the Saturday morning.**

HOMEWORK

Given the extremely busy time we are all experiencing at the moment, there will be no homework in Week 4, 5 and 6. If anybody would still like homework during this time, please see me and I can arrange this, otherwise we will be focusing on the preparing for the Music In the Mulga performance and the Cunnamulla Show display and

Eulo State School Show Display

The Cunnamulla Show is fast approaching, and the theme this year is "Colours of the Paroo". Show guides are on sale in Eulo and Cunnamulla and there are a lot of categories for everyone to entre.

The school will once again, be doing a display in the Show Pavilion. It will include work from all our students from Kindy to Year 6.

Anyone available to help set it up on the Friday

Soccer Sessions with Ipswich Grammar Teachers

It was great to welcome Ipswich Grammar teachers to our school this week. They ran a soccer session with all our students. Everyone had a fabulous time and joined in learning ball skills and finished with a game of soccer.

Student of the Week

Mrs Maric presented our three Kindy students with Student of the Week awards for working well together, sharing and participating well in school. Congratulations to Haydee, Lilly and Charlotte on your special awards.

COMMUNITY ANNOUNCEMENTS

Please email me any announcements that you would like advertised in the school newsletter. Please put the subject of the email as:

Community Announcement - Eulo Newsletter.
