Week 4 Term 1, 2023

# Making the News at Eulo State School

## Community invited to join committees

### Review of Eulo's PBL Handbook

Currently, Miss Aish, Miss Tahli and I are reviewing Eulo's Positive Behaviour for Learning Handbook.

This handbook directly links the school's Behaviour Management policy to the explicit expectation of Eulo State School, how we teach desired behaviours and what outcomes can be expected for all types of behaviours.

We will be presenting the behavior matrix and Handbook to the

P&C on Thursday 9th March at the first General meeting for the year for community feedback, prior to finalizing the document.

If you are interested in contributing to the process, we will see you at the P&C meeting.

### eSmart Framework

Digital technologies are a big part of learning in school, and as such, it is extremely important for children to understand their rights and responsibilities when online.

This year, we will be developing a Eulo State School eSmart policy document and framework, and will present it in an eSmart Handbook, which will also be directly linked the school's Behaviour Management policy.

As with the PBL Handbook, we will be identifying processes and procedures for teaching digital capabilities and responsibilities and publishing these in an eSmart Handbook.

We would like to invite community members to be a part of the PBL and/or eSmart committees with us. Further details will be shared at the P&C meeting.

## Early Years Play and Orientations Days

Eulo State School will be planning "play days" throughout the year for children (0-5 years) and their parents as a means for young families in the community to get together for some fun. We will run two play days this term. Anyone interested is more than welcome to attend.

Thursday 9th March

Time: 9am—11 am

What to bring  
a fruit snack, sandwich, water bottle, hat and change of clothes.

### Special dates of interest:

- Mrs B away—Monday 20th Feb—Quilpie—Principal Cluster Meeting
- ARD—Mr Brandon—8:30—12:00—Tuesday 21st Feb
- Kids Club—Tuesday 21st February 3-3:30pm
- Adult aerobics—Tuesday 21st Feb 3:30-4pm
- Sport & Activities with Brad—2:30—3:30pm Thursday 23rd February
- Play Day—Thurs 9th March 9-11am
- NAPLAN online—Yr 3 and 5—15th—27th March
- Science Camp—Yr1-6 Wed 22nd—Sunday 26th March
- Last day of School—Fri 31st March

## Student of the Fortnight

PBL Focus

Term 1, 2023

With a new year ahead, we will continue with our positive behaviours for learning (PBL).

As a part of teaching these positive behaviours, Eulo staff and students engage in daily Mindfulness meditation (Smiling Minds for those of you who would like to look it up) and Zones of Regulation in addition to focusing on 1 specific behavior each week.

Over the term, students will be nominated by staff for a Student of the Fortnight award based on either learning or behavior.

Week 5	Walk on concrete
Week 6	Use appropriate online sites and games
Week 7	Wash your hands

### Violin Practise

Tuesday & Thursday  
8:00—8:15am

## Student of the Fortnight

Week 3

Archie Beresford—following routines consistently

Week 5

Who will it be?

*\*Be Safe*

*\*Be Respectful*

*\*Be Responsible*

## Robotics Club

### Eulo State School is hosting a Robotics Club

Thanks to collaboration between Lauren and the school, we are able to offer Robotics Club on the alternate Thursdays to Youth Sports. Our first meeting was held on Thursday, Week 4, with students working with KUBO robotics. This term, they will continue learning about KUBOs and how to code them. Later in the year, we will move on to other types of lego robotics, with students practising coding and meeting technology challenges.

The next 3 Robotic Club days are on Thursday in Week 6 (2/3), Week 8 (16/3) and Week 10 (30/3).

## Youth Activities with the Paroo Shire Council

**PAROO**  
SHIRE COUNCIL

### AFTER SCHOOL SPORTS and ACTIVITIES

After-school sports will be commencing again this term, on a **fortnightly basis**.

Brad will be at school every second Thursday from 2:30pm—3:30pm.

Week 5 (23rd Feb)

Week 7 (9th March)

Week 9 (23rd March)

All children in town, including those accessing Distance Ed., are very welcome to attend these play sessions.

## District Swimming

Well done to Lilly and Isla, who participated in District Swimming last week. They represented Eulo extremely well and we are very proud of them. Not only did they step up and represent us so well, they caught up with friends from other schools. Thank you to Shonnell for driving the kids and Miss Tahli to and from the pool.

## Keeping Hydrated

With the temperatures being so warm of late, it is really important for everyone to stay hydrated.

We are encouraging students to drink as much water as possible each day, so that they don't get dehydrated and ill by the evenings.

Currently, we are running a friendly competition to see who can drink the most number of water bottles a day.

## Homework Club

Homework Club will recommence on **Monday 6th February**, from 2:30pm—2:45pm in the school library. Miesha will once again be supporting our students in this venture.

## Kids Club 2023

Kids Club with Maryanne will commence on **Tuesday 7th February**, at the Shed (Eulo Queen). All kids are welcome from 3-3:30pm and adults from 3:30—4pm. Thank you to CACH for providing this service which supports student and adult wellbeing.

### Excitement Plus!

It is with great excitement that I announce our science trip in Week 9 (22nd–26th March).

Year 1 to Year 6 will be attending a science trip to Brisbane, participating in a variety of science experiences that will consolidate our physics units from Term 1 and introduce our Biology unit in Term 2. Further details will be provided to parents as events are confirmed.

# Eulo Play Days

Thursday 9th February

It was wonderful to participate in the first Eulo Play Day for the year. Activities involved kids having to apply a push and pull force, which directly related to the Pre—Year 2 science and design units of work and Kindy learning areas of Active Learning, Communication and Connectedness.

Painting the parts to vehicles that we will build next play-group.

Settling in for a story

Sand angles

Sand play with the trucks and diggers.

Rolling, and throwing balls

Building balancing paths

Using the slide

Pushing together the parts of the car ramp, before riding the car down it.

Pushing and pulling game pieces
